Statement of Intent

We are committed to providing a caring, friendly and safe environment for all of our pupils so they can learn in a relaxed and secure atmosphere. Bullying of any kind is unacceptable at our school. If bullying does occur, all pupils should be able to tell and know that incidents will be dealt with promptly and effectively.

We expect that *anyone* who knows that bullying is happening is expected to tell the staff.

We hold Anti-Bullying themed assemblies and the messages about Anti-Bullying form part of our school ethos and are talked about through class lessons and PHSE. We adopted the slogan 'See it, Get Help, Stop it'.

Equality Impact Assessment

Under the Equality Act 2010 we have a duty not to discriminate against people on the basis of their age, disability, gender, gender identity, pregnancy or maternity, race, religion or belief and sexual orientation.

This policy has been equality impact assessed and we believe that it is in line with the Equality Act 2010 as it is fair, it does not prioritise or disadvantage any pupil and it helps to promote equality at this school.

Aims and Objectives

- To protect pupils from bullying as part of our responsibility to provide a safe, secure, caring and friendly school environment for all children.
- To look out for all signs of bullying and to take the appropriate action to stop it.
- To develop a school environment that is both safe and secure for all pupils.

- To have in place established systems that will deal with incidents of bullying.
- To develop confident children who will notify staff of any incident of bullying.
- To inform everyone connected with the school of the school's anti-bullying policy.
- To work with other schools to share good practice in order to improve this policy.

What is Bullying?

Bullying is the repetitive, intentional hurting of one person or group by another person or group where the relationship involves an imbalance of power. It can happen face to face or online.

Bullying can be:

- An Imbalance of Power Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
- Emotional being unfriendly, excluding, tormenting (e.g. hiding books, threatening gestures)
- Physical pushing, kicking, hitting, punching or any use of violence
- Racist- racial taunts, graffiti, gestures
- Sexual unwanted physical contact or sexually abusive comments
- Homophobic because of, or focusing on the issue of sexuality
- Verbal name -calling, sarcasm, spreading rumours, teasing
- Cyber- All areas of internet, such as email & internet chat room misuse. Mobile threats by text messaging & calls. Misuse of associated technology i.e. camera & video facilities.

At The Meadows we use STOP!

If we think we have been bullied we ask ourselves to think about 'STOP' which stands for SEVERAL TIMES ON PURPOSE.

If it is, then we move to using STOP stage:

START TELLING OTHER PEOPLE!

Why is it important to respond to bullying?

Bullying hurts. No one deserves to be a victim of bullying. Everybody has the right to be treated with respect. Pupils who are bullying need to learn different ways of behaving. At The Meadows we have a responsibility to respond promptly and effectively to issues of bullying.
